Dear Mr. Dahlen:

I am pleased to inform you that the Educational Approval Program (EAP), under Wis. Stats. § 440.52 (10)(a), grants approval to *Mayo Clinic College of Medicine and Science* and the programs identified below. The approval is effective immediately.

| Ed Level | Program Name | Length | Units | CIP Code |
|----------|-----------------------------------|--------|-------|----------|
| CER | Advanced Cardiac Sonography (ACS) | 512 | Hours | 51.0901 |
| CER | Pharmacy Technician Program | 624 | Hours | 51.0805 |

The approval of your school expires on December 31, 2020. Each July we begin our annual school renewal for the next calendar year. The renewal is completed by schools online and is a method of updating contact and outcomes information from year to year. Renewal fees consist of a \$500 first payment due September 1 and a second payment that is based on a percentage of revenues from Wisconsin students due March 1. I will be able to assist you with the online renewal application this year, should you have any questions.

Congratulations on the approval of *Mayo Clinic College of Medicine and Science* and the above programs. If you have any questions, I can be reached at colleen.uhlenkamp@wisconsin.gov or (608) 266-3185.

Sincerely,
