THE NEEDS OF THE PATIENT COME FIRST

MODELING OUR VALUES
DEPARTMENT OF PUBLIC AFFAIRS

RESPECT

Treat everyone in our diverse community including patients, their families, and colleagues with dignity.

We value authenticity, kindness, openness, positivity and professionalism in our workplace, and we respect and welcome individual differences.

INTEGRITY

Adhere to the highest standards of professionalism, ethics and personal responsibility, worthy of the trust our patients place in us.

We are committed to honesty, fairness and transparency, and we create a safe and trusting work environment in which we keep our commitments to others.

COMPASSION

Provide the best care, treating patients and family members with sensitivity and empathy.

We care about, support and help each other, and through our work we strive to improve the lives of others.

HEALING

Inspire hope and nurture the wellbeing of the whole person, respecting physical, emotional and spiritual needs.

We support and encourage work-life balance for our staff, and value the role we all play in inspiring patients to choose Mayo Clinic as a place of hope and healing.

TEAMWORK

Value the contributions of all, blending the skills of individual staff members in unsurpassed collaboration.

We promote and expect teamwork. We foster collaboration among individuals, teams, divisions, geographies, departments and shields to leverage unique insights and expertise, assuming best intent from our colleagues, understanding our sum is stronger than our individual parts.

INNOVATION

Infuse and energize the organization, enhancing the lives of those we serve, through the creative ideas and unique talents of each employee.

We are a team of creative thinkers who explore new ideas and seize new opportunities. We constantly explore how to improve and believe that trying new things is a part of our mission.

EXCELLENCE

Deliver the best outcomes and highest quality service through the dedicated effort of every team member.

We are leaders and experts in our field, doing our best work every day as we provide strategic counsel to advance the mission and business objectives of Mayo Clinic. We create and promote an environment of learning and professional development that helps our people deliver their best work.

STEWARDSHIP

Sustain and re-invest in our mission and extended communities by wisely managing our human, natural and material resources.

We support and protect Mayo Clinic's brand and reputation, use our resources wisely to drive business outcomes, and support our staff in giving back to their communities.

Medical Director Foreword

It's exhilarating to see Mayo Clinic and the community joining hands to bring forward our best generations. A critical pathway to build the groundwork for further advancement of medical sciences. Mayo Clinic CARES is a mutually enriching experience for us all, and, more importantly, it is a wonderful way to build strong and enduring relationships with our learners and the community.

Cuong C. Nguyen, MD, AGAF, FACG, FASGE

About Mayo Clinic CARES

Mission

The Mayo Clinic CARES (Career Advancement, Research and Education Summer) Program began in 2019 and since then has grown and expanded with great success. Its mission is to introduce, prepare, and inspire high school students of various backgrounds and potentials for a career in the health care industry with continuing, longitudinal mentorship.

Program Goals

- Enable high school students to gain exposure to the broad range of career opportunities across the health care industry.
- Strengthen students' academic potential through interactive learning, the discovery of personal strengths, teamwork, networking, and public speaking.
- Motivate and prepare high school students for the college application process and to become the leaders of the future health care workforce.

Social Media Guidelines

When sharing information on social media, please keep our Mayo Clinic values in mind (i.e. respect, integrity, excellence, etc).

Other Considerations/Ground Rules

- Turn your phones on vibrate or silent when participating in the program.
- For the best learning experience, remain actively engaged and avoid multi-tasking.
- Log in five minutes early and be ready to begin the program on time. We will end on time.
- Dress professionally/business casual each program day.

This program is subject to change.

With special thanks and in collaboration with The Links, Incorporated – Phoenix Chapter

Programs

The Links, Incorporated has a long tradition of promoting and engaging in educational, civic, and inter-cultural activities that enrich the lives of members of the Black community at large. The cornerstone of our service is our five programming facets — Services to Youth, The Arts, National Trends and Services, International Trends and Services, and Health and Human Services. Through our facets, we implement programs and initiatives that address the most critical needs of underserved communities. Annually, we impact the lives of more than 3 million people at home and abroad.

Health and Human Services

The Links, Incorporated established the Health and Human Services facet in response to the chronic health disparities that persist in black communities and result in the decreased life expectancy of African Americans and other people of African ancestry. The goal of HHS is to promote and facilitate programs that support the maintenance of good health and the elimination of chronic health disparities in communities of color through education, health advocacy, and optimal utilization of health resources. Community education about health risks is crucial, and The Links, Incorporated plays a significant role in providing it.

For questions, please contact Dr. Victoria Jones at victoriajones7@sbcglobal.net and visit: <https://www.phoenixlinksinc.org/>

Mayo Clinic CARES Class of 2023

Melanie Bibriesca

My name is Melanie Bibriesca and I will be a senior at South Mountain High School starting August 2023. In the future I would like to become a nurse who specializes in women's pregnancy and birth or I would also like to become a neonatal nurse practitioner. I would love to work with newborns and help women throughout their pregnancies. Currently I spend most of my time at work, working as a server in an assisted living. I love the people I work with and the environment, as well as the residents. One of my hobbies is going to the gym because it helps me clear my mind and it makes me feel better about myself.

Angelita Carlos

My name is Angelita. I go to Sunnyside High School and I am going into my senior year. I fell in love with the medical field. I haven't quite decided which exact career, but I am thinking about sports medicine, anesthesiologist, or a physician assistant. My goal is to find which area suits me best and be able to gain the right certification in order to help others. I am currently planning on doing cheer, soccer, track, and possibly softball. For my senior year, I want to make the most out of it by inserting myself in activities that are out of my comfort zone. I am planning on joining AVID, National Honor Society, an additional year for my sports medicine class, and I still have yet to decide what else I would like to take the initiative to do. I want to make school a priority, but I also want to make sure I take the time to make the most memories for myself, friends, and those around me.

Pravneet Chadha

Pravneet Chadha is a rising junior from Mountain Ridge High School. He founded a nonprofit organization called Project Smile AZ, and through his efforts, Pravneet has spread 70,000 smiles in his community. This involvement in community service, especially starting from a young age, was what interested him to pursue medicine, in that he could give back and serve others. Pravneet has done research with ASU where he analyzed LED Optimization for Metamer Visibility, and placed 3rd place in the Arizona Science and Engineering Fair for his research. Pravneet aspires to become a neuro-oncologist.

Savannah Creel

My name is Savannah Creel, and I am a Senior that does an online school called Connections Academy. I plan on attending a four year university in New York, and then a medical school, hopefully in New York as well. As for my career, I am going to be a surgeon. My favorite hobby is reading, I find that you can be anyone you want when you read. The hospital is my favorite place in the whole world, which is why I spend many hours a week shadowing/volunteering there. I am so excited to meet everyone!

Gurleen Deol

My name is Gurleen Deol and I am a junior at Liberty High School. I hope to become a neurologist in the future, and create an impact at the college I decide on attending as a major in biochemistry or biomedical sciences. I am an athlete in shot put and discus for track and field, president of the Arizonan chapter for the charity Sending Sunshine, varsity captain of Speech and Debate, and the treasurer of HOSA and FBLA at my school. I also enjoy volunteering at my local library and hospital, along with pursuing activism within the community as a queer woman of color.

Kennedy Galassi

My name is Kennedy Galassi, and I am going to be a junior in high school. I currently attend Desert Vista High School. In regards to my future, I have an interest in anesthesiology that I am looking to explore more in the years coming. I want to pursue a career in the medical field, so I am staying highly devoted to my education. I want to attend a selective university after high school and keep pursuing my education post college graduation.

Even though I am currently on summer break, I still like to stay involved in my community and with school. I volunteer weekly at my local animal shelter to help clean and organize cages. I am also an officer of a community service club at my school, and I avidly organize events to give back to my community. We make it a goal to volunteer at St. Vincent's, a homeless shelter, at least once a month. Recently, I started volunteering at Banner Desert two times a week to gain exposure to the medical environment. I cannot wait to grasp more information that this Mayo Clinic internship will offer me and expose me to.

Karis V. Hurd

I am Karis V. Hurd of Gilbert, Arizona. I am a rising sophomore at Chandler High School. I am currently an International Baccalaureate (IB) Middle Years Program (MYP) student where I am pursuing a high school diploma in the IB Career & Technical Education (CTE) Program with a specialization in Sports Medicine. Upon graduation from high school, I would like to attend college where I will pursue a degree in the field of medicine and further my studies in efforts toward becoming a doctor. As a honor student at CHS with a 4.28 grade point average (GPA), I am also active with the CHS Student Council, Varsity Girls' Basketball Team, the Black Student Union (BSU), and the CHS Girls' Flag Football Team. Outside of school, I am also a part of a traveling club basketball team, active with the praise dance team with my church, Girl Scouts, and I also volunteer for various youth programs, events, and community service projects.

Jaisveen Kaur

Hello, my name is Jaisveen Kaur and I'll be a senior this coming fall semester at Parker High School. The field of health service and medical has always interested me. I want to step in the field as registered nurse, furthering my education in the field of surgery. At my high school, I am serving as the Vice president of HOSA and S club. I am also a member of Youth for Youth. Previously, I have served as the chairperson of Teen Advisory Board. In my junior year, I was inducted to NHS. In summer of 2022, I attended the future health leaders camp. I have also served in the Governor's Youth Commission for the term 2022-23 representing the La Paz county. I served as a fellow in the Winter 2023 cohort of the Civic Spring Fellowship program. In addition to this, I am licensed by the state as a CNA and also certified to perform CPR.

Sharon Nwachukwu

My name is Sharon Nwachukwu. I am a rising Junior at Thunderbird High School, Phoenix, Arizona. In the future, I hope to pursue a career in the medical field. For my hobbies, I love reading and volunteering as an act of service to the community; In my school I'm a member of the Outdoor club, Ambassadors for Christ and Lifelong Lessons. My teams/sports are track and field, I play badminton and tennis. My other skills and talents are dancing, singing and drawing. I also volunteer in the next generation Ministry in my Church.

Ariela Pando

My name is Ariela Pando, I am a rising junior at Willcox High School. I take pride in all of my academic achievements. In my spare time I enjoy participating in school events, cheering at our high school football games, and spending time with my family and friends. I have always had a desire to work in the medical field, and aspire to have a career in nursing or orthopedics.

Dhvani Patel

My name is Dhvani Patel and I am a rising junior at Arizona College Prep High School. In the future, I want to get into a BS/MD program for college. As a career goal, I want to become a successful pediatrician and help many young children. Some of my hobbies include reading, baking, and drawing. I am in many clubs at school including HOSA, UNICEF, Future Medical Professional Club, Key Club, International Knights Festival and The Wishing Crane Project. For sports, I'm not the most athletic person but I am a dancer. I have been dancing since I was 5. Overall, my main focus is to go in the medical field.

Zayra Perez

My name is Zayra Perez, I am a senior and attend Trevor G. Browne High School. I am planning to pursue a career in the medical field in order to help and give back to the community. I am always excited to learn new skills and enjoy spending time in nature. Some of my favorite hobbies are drawing and making ceramic sculptures.

Esteban Pierrend

My name is Esteban Pierrend, and I am a rising senior who attends BASIS Peoria. In the future, I aspire to be a doctor. While I have not chosen a specific specialty yet, I know that medicine interests me greatly, and I hope to go on the pre-med track in college, probably majoring either in biology or chemistry wherever I go. In my free time, I enjoy playing chess or reading books, and I love meeting new people, so I hope to meet new people during the Mayo CARES Program. I also love dogs, and I have a pet bulldog whose name is Mocha!

Autiana Rumel

Hello! My name is Autiana Rumel and I'm a sophomore at Catalina Foothills High School. In the future, I would like to explore and possibly pursue a career in healthcare. A specific job I'm intrigued in learning more about is travel nursing which might be a career path I'm interested in taking. In this upcoming school year, I will be involved in an after school 2-day a week Pima JTED Culinary class and I will also be on a school team called Color guard which I have been on for over a year already. Out of school, I enjoy painting and listening to music or playing the piano.

Tejasvi Sanikommu

My name is Tejasvi Sanikommu, and I am a rising senior at BASIS Phoenix. As a student, I am looking forward to continuing serving my community and further exploring into the medical field. In the future, I aspire to pursue a career as a medical professional. Some of my hobbies include playing the flute and practicing Carnatic music and Bharathnatyam, an Indian dance form. Some clubs I am part of in school are NHS, Science National Honor Society, Red Cross, and TRI-M.

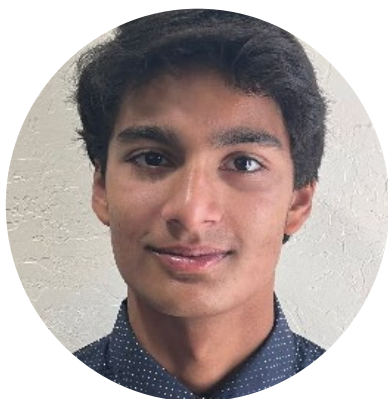

Dylan Sin

Hello, my name is Dylan Sin, and I am still currently in my Junior year of high school, soon going into my Senior year, and I go to Perry High School. A future educational goal of mine is to earn my Bachelor's degree, Medical degree, and four years of residency while completing my studies at the following colleges: UCLA, ASU, and possibly the University of San Francisco. My Career goal is to either become an Anesthesiologist or an Orthopedic Surgeon though I am still considering a multitude of other professions in the medical field I am also interested in. I was in the Turning Point USA club, the Asian Culture Club, and the Esports Club throughout my first 3 years of high school and partake in playing guitar, creating art, writing stories, and listening to music as my hobbies. I did not join any sports teams in high school, although I had for a majority of my high school years, attended Martial Arts learning both Kempo and Muay Thai, rising to the rank of Blue-striped belt, which is a fairly high rank in the dojo I trained in.

Namrata Thomas

Hi! My name is Namrata Thomas and I am a forthcoming junior at Corona Del Sol High School. I am a very detailed oriented, organized, patient and resilient person. I believe that these qualities will enable me to work in the medical field as a successful and compassionate medical professional. My future goal, is to become an optometrist and be able to help patients see better the beauty of the universe! Outside of that, my hobbies include hiking, baking, painting along with traveling with friends and family!

Aditya Tyagi

My name is Aditya Tyagi and I am a rising sophomore at Chaparral High School of the Scottsdale Unified District. I hope to become a multi-lingual surgeon one day and I am working towards fluency in French, Spanish, Hindi, 'American Sign Language' to broaden my outreach to diversified communities and also to better equip myself with communication skills and foster my understanding of the deaf communities. I am involved in school and hold multiple clubs at leadership positions in the Bio-Medical Research club, Speech & Debate club, French Honors Society and Student Advisory Board representing my school for the SUSD and also the Maricopa Department of Public Health Youth Advisory Board. I am a competitive swimmer and a soccer athlete, and I play for both my professional club and my high school team.

Adan Valenzuela Garcia

I am Adan Valenzuela Garcia, I am a senior at Poston Butte Highschool. I plan to attend the ASU Polytechnic campus where I will major in medical studies. After that I will attend medical school to hopefully become a medical doctor. I love playing and watching soccer, I love the Mexico national team despite their current situation. I also like to go to the gym in my free time.

Advaita Vemuri

My name is Advaita Vemuri, and I will be an 11th grader at ACP High School. I plan to go into mental health or some psychological field. Some careers I am interested in are a Clinical Psychologist and a Criminal Psychologist. I have a large interest in Behavioral Analysis, and enjoy drawing. I am in Key Club, Teen Mental Health Club, Future Medical Professionals Club, and National Honors Society.
