Wilson Scholars Program

2022-2023

Wilson Scholars Program is a graduate medical education pathway towards career advancement.

The program is open to medical students who are underrepresented in medicine or those with a demonstrated commitment to the advancement of diversity, equity, and inclusion in healthcare.

The program is offered through the Office for Education Equity, Diversity, and Inclusion at the Mayo Clinic College of Education & Science and is designed to prepare medical students for residency training through long-term engagement and a robust curriculum.

CURRICULUM INCLUDES:

- Individualized mentorship based on specialty and, where able, dimensions of diversity
- On-campus visit (travel stipend provided)
- Virtual workshops and webinars
- Access to Mayo Clinic Continuous Professional Development courses
