<b>TUITION</b>	<b>Doctor of Nurse Anesthesia Practice (DNAP) year 2019-2020 = \$710.00 per semester credit. NOTE: 86/116 DNAP semester credits are currently tuition billable.</b>				
<b>Total Program Tuition/Fees</b>	Currently there is no charge for clinical credits. All DNAP didactic credits are tuition billable. Projected total tuition for the incoming DNAP Class of 2023 is currently \$710.00/semester credit = \$59,856.00; estimated fees = \$550.00; estimated total book cost = \$1000.00.				
<b>Current Tuition/Fees</b>	<b><i>Cost per semester credit is not frozen for the entire length of the program and may be subject to change on a yearly basis. Contact program for most recent cost estimate.</i></b>				
<b>Program Stipend</b>	During the last 24 months of the DNAP program, a small stipend will be paid to the student anesthetist (approx. \$5600 x 2 years = approx. \$11,200 total stipend). Time payback is not associated with the program stipend.
