TUITION	Doctor of Nurse Anesthesia Practice (DNAP) year 2019-2020 = \$710.00 per semester credit. NOTE: 86/116 DNAP semester credits are currently tuition billable.				
Total Program Tuition/Fees Current Tuition/Fees	Currently there is no charge for clinical credits. All DNAP didactic credits are tuition billable. Projected total tuition for the incoming DNAP Class of 2023 is currently \$710.00/semester credit = \$61,770.00; estimated fees = \$550.00; estimated total book cost = \$1000.00. <i>Cost per semester credit is not frozen for the entire length of the program and may be subject to change on a yearly basis. Contact program for most recent cost estimate.</i>				
Program Stipend	During the last 24 months of the DNAP program, a small stipend will be paid to the student anesthetist (approx. \$5600 x 2 years = approx. \$11,200 total stipend). Time payback is not associated with the program stipend.
