Fellowship Written Examination

1. Tell us about a time when you identified a best practice or improvement process in one of your internships.
2. Describe a situation where you used good judgement in a routine, day-to-day decision making.
3. Tell us about a time when you were questioning a patient and you discovered unmet needs and then provided concrete services to the patient.
4. Describe a time when you had to deliver difficult news and how you did it.
5. Share how you would work with difficult people to get work accomplished.
6. There may be times when patients become emotionally charged. Think of a time when this happened to you. What were your tips to how to diffuse the situation and what were the results?
7. Mayo Clinic Florida has a diversity of patients who are receiving care on this campus; tell us how you will be able to work effectively with people who have a different background, perspective or style than you.
