

Dr. Bruce is a graduate of the University of Cape Town, South Africa, where she received her medical degree cum laude. She completed her dermatology residency training at Mayo Clinic Rochester in 2000, and thereafter practiced as a consultant in that department for 15 years, before transitioning in 2015 to the Mayo Clinic Florida campus. Dr. Bruce was the Residency Program Director for 6 years in Rochester, and is now the Chair of Dermatology, and Co-Director of the Cosmetic Center at the Florida practice.

Dr. Bruce is a Professor of Dermatology, well published with over 50 peer reviewed articles, and several books chapters. She is widely recognized as an authority on diseases of the mucous membranes, and an expert in the field of oral and genital dermatology. Additionally, she has a particular interest in women's health, regenerative medicine, as well as aesthetic skin care and rejuvenation.
