

A large, abstract graphic of an eye, rendered in glowing blue and purple lines against a dark blue background. The lines radiate from the center, creating a sense of depth and movement.

# NEURO- OPHTHALMOLOGY & GLAUCOMA SYMPOSIUM

Mayo Clinic School of Continuous Professional Development

8.0

AMA CATEGORY 1  
CREDITS™

**MAYO CLINIC**  
**ROCHESTER, MINNESOTA**  
APRIL 20–21, 2018

## COURSE HIGHLIGHTS

- Address recent advances in diagnosis and treatment for neuro-ophthalmology and glaucoma
- Discuss overlap of neuro-ophthalmology and glaucoma and ways to differentiate the two entities
- Learn new diagnostic and therapeutic tools for neuro-ophthalmology and glaucoma
- Discuss management of specific neuro-ophthalmic and glaucoma challenges

## TARGET AUDIENCE

Ophthalmologists and optometrists who participate in general eye care practices and in subspecialty practices concentrating on glaucoma and neuro-ophthalmology.

## LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Choose the appropriate type of glaucoma surgery for individual patients
- Identify surgical techniques for the management of co-existent glaucoma and cataract
- Describe the role of imaging and functional testing to manage glaucoma
- Describe non-surgical treatment options for glaucoma
- Review the role of intraocular pressure and perfusion in glaucoma
- Differentiate glaucoma from other forms of optic neuropathy
- Describe the workup and treatment options for nonarteritic anterior ischemic optic neuropathy and arteritic anterior ischemic optic neuropathy
- Describe recent advances in biomarkers of optic neuritis
- Describe updates on idiopathic intracranial hypertension and the translamellar gradient
- Describe updates on Leber hereditary optic neuropathy
- Describe the differential diagnosis and workup of diplopia and anisocoria

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

## COURSE DIRECTORS

John Chen, M.D., Ph.D.  
Jacqueline Leavitt, M.D.  
Elena Bitrian, M.D.

**ONLINE REGISTRATION**

**[CE.MAYO.EDU/NEUROEYGLAUCOMA2018](https://ce.mayo.edu/neuroeyeglaucoma2018)**

## REGISTRATION FEES

Friday - M.D. Only	<b>\$90**</b>
Friday and Saturday - M.D.	<b>\$380</b>
Saturday - M.D. and O.D.	<b>\$300</b>
Saturday - Allied Health	<b>\$250</b>

\*\*In conjunction with the Minnesota Academy of Ophthalmology, ophthalmologists are invited to a special reception, dinner and lecture featuring Steven A Newman, M.D. and Joel S. Schuman, M.D. on Friday, April 20, at 6:00 p.m. If you are a member of your state's Ophthalmology Association, please contact Kari Koenigs (koenigs.kari@mayo.edu) to receive a special \$30 discount code. This code can be used for the Friday only session or the Friday and Saturday session.
